Motorcycling Canterbury riders dominated the placings. It was a wonderful atmosphere at the track. Special thanks to the flag marshals, grid marshals, recovery persons and other officials who gave their time for this meeting – without your skills and assistance, it would be extremely to run a national meeting.

Let's do it all again at Easter, where MCI will be running the NZGP non-championship titles including FI, FII, FIII and 250 Production.

OCEANIA JUNIOR CUP

12 year Hunter Charlett has been selected to ride in the Oceania Junior Cup. This entails two coaching events in February and March before the 6 race Cup series begins in March. The final round will be in December. MCI will be doing some fund raising to assist Hunter with the expense of going to Australia and competing. Further details to come.
